## THE LUXURIATE LIFE GUIDE TO A NIGHT OUT IN LONDON

By [Mark Captain](#)

We all miss that London night out – getting glammed up, the anticipation, an over priced tuk-tuk ride, that favourite [restaurant](#), a cheeky nightcap with someone you shouldn't be with. London is roaring back to life!

We have gathered for you a collection of our favourite restaurants, rooftops, pop ups and more to make the most of that long awaited London night out.

### Your London night out – Terraces & Rooftops

#### **The Terrace at Angler Restaurant**

Michelin starred Angler Restaurant in the City have partnered with No.3 Gin to create a selection of original gin cocktails, which will be available on the restaurant's terrace throughout the summer until late August. The exclusive cocktail list will include an Amarena Sour (No.3 Gin, ginger bitter, Amarena and mint infused syrup, lemon juice), Sweet No.3 (No.3 Gin, white peach purée, violet liqueur, rosemary syrup, lime juice) and an Amalfi Spritz (No.3 Gin, elderflower liqueur, anise infusion, Sorrento lemon cordial, soda). Menus from the restaurant will be available both inside and on the Terrace, including a tartare of Cornish mackerel, XL Orkney scallops and a roast Newlyn cod.
